

FBI National Academy Associates Ohio Chapter - 2025

Prospective Sponsor,

The FBI National Academy Associates, Inc. (FBINAA) is a non-profit, international organization of nearly 18,000 senior law enforcement professionals dedicated to providing our communities, states, countries, and profession with the highest degree of law enforcement expertise, training, education and information.

Our membership is comprised of approximately 17% Chiefs and Sheriffs and 83% middle to executive level management; the decision makers of their respective agencies. We have forty-eight Chapters, forty-four domestic and four international, which are the heart and soul of the FBI National Academy Associates. It is at the chapter level where our members and their families are professionally, socially, and personally linked to each other and their region's law enforcement leadership network. Chapters host various training events throughout the year and provide awards, recognition and benefits to their members.

This year, the Ohio Chapter is hosting a Central Ohio Golf Outing. The outing will be held at Darby Creek Golf Course, located 19300 Orchard Road, Marysville, Ohio on Friday, August 22, 2025, at 9:00 am. We anticipate a law enforcement attendance of approximately 100. All proceeds will be used to obtain speakers from nationally known critical incidents that will provide lessons learned to the Ohio Law Enforcement community.

The Ohio Chapter's Board has identified your company as a potential sponsor.

If you are interested in becoming a sponsor of the FBINAA or the Central Ohio Golf Outing, please review the "Opportunities for Sponsorship". All sponsors will receive acknowledgement consistent with their respective level of sponsorship and on the Chapter's website.

Please feel free to contact me with any questions you may have.

Respectfully,
